Governor Gray Davis
State Capitol
Sacramento, CA 95814

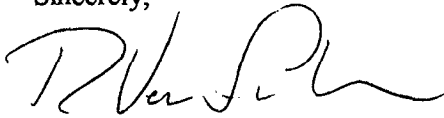

Dear Governor Davis:

Please protect California's rivers and bays. Please support the CALFED Bay/Delta program.

My family and I spend every vacation camping and floating on wild rivers. They are more and more crowded. Wait lists are longer every year. California is too much concrete already. Please save what you can.

Thank you for an excellent job as Governor.

Sincerely,

Robert Van Santen
